

## Talk to Me

Babyface

What must I say to you  
To get inside your head  
Why must you always think  
I Wanna get in your pants  
And why I always gotta be  
The closest thing to wrong  
Sometime the only thing a brother need  
He need a woman to be strong

Well I ain't cryin', I ain't cryin'  
Done 'bout run out of tears  
But you're the closest thing to heaven  
I need you to be near  
Hear me darlin', hear me darlin'  
I can't make it more clear  
The only thing that's gonna get me through  
Is if I got you right here

Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman  
ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me  
I know my reality is without you  
I ain't nothin' at all

Why does everything I say to you  
Have to be suspect  
Feel like the only way I'll get with you  
Somethin' blows off my head  
Well I ain't tryin' to go out like that  
Wanna keep myself clean  
Sometime the only thing a brother need  
He need the strength from his queen

I ain't lyin', I ain't lyin'  
Done 'bout run out of time  
The only time I wanna do it right now  
Is feel you by my side  
Hear me darlin', hear me darlin'  
I can't be more sincere  
The only thing that's gonna get me through  
Is if I got you right here

Well I said everything's gonna be alright  
When you stand by my side  
Gonna work things out tonight  
We're gonna make out just fine  
For once I'd like you to be  
The one who has the faith in me  
And I promise I won't let you down this time
