

# You Are So Beautiful

Babyface

You are so beautiful, yes  
You are to me  
You are so beautiful  
You are to me  
Can't you see? Can't you see?  
You are everything I hoped for  
And you are everything I need  
And you are so beautiful to me

You are so wonderful  
So wonderful to me  
You are so wonderful, baby  
Can't you see, can't you see, baby  
You're everything I hoped for and  
You're everything, yeah everything  
God knows you're everything to me

You are so wonderful  
You are so wonderful  
So beautiful, so beautiful  
You are so beautiful  
To me
