

## You Were There

Babyface

Time passes, the world changes  
But I'm still the same ole' kid  
And your jokes still bring me laughter  
As if you still were here  
And it hurts  
When I smile  
'Cause my heart still remembers  
When you were around

'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love  
'Cause you were my friend  
You always told me  
And I am still here  
Because you were there

So precious, small treasures  
A time when truth was innocent  
True friendship, was all we were after  
A place where kids could still be kids  
And it hurts  
But I'm glad  
'Cause at least I was blessed  
To have you as my friend

You're my best friend  
There are no accidents  
God has a plan for everyone  
And he brought you in my life  
To show me what a good friendship was
