

# Heaven Or Hell

Babyfxce E

Raq baby how you be having money  
Where you get it from, I don't know  
I've been lit asl  
Just got some head from a bitch I don't know

Can't love a bitch that go from bro to bro  
They can't go toe to toe  
Niggas know they broke  
I never rap like you just having paper no you don't

Ready to prove my point I got everything I need to show you bro  
She broke as fuck so we both going through it  
I can't say shit but I know you broke  
Say you kill but no you don't

Act like he a drill but no he won't  
You niggas shit I'm going fast  
SV on the road  
2 on the dash, 12 on ave  
Fuck I look like pulling over

Used to be the bro you're not a gangster  
I hate to expose you  
Big Bro pouring up the red  
Can't be a rainstorm he sippin' on soda

Opp niggas tripping it's gon be a blick out  
Other side gon die cause we ain't going  
Caught the main op got him first  
I'm just wondering I ain't blowing?

Got a bad bitch and their pockets hurting  
He that nigga? He ain't on  
This a dumbo world I need a big ass stage to make a scene on  
Still fuck all the opps

Need another grave to take a pee on  
Opps can't duck this shit is going down  
As soon as we see 'em  
Take off better have endurance

They get chased don't want to be them  
Raq baby how you be having money  
Where you get it from, idk  
I've been lit asl  
Just got some head from a bitch idk

Can't love a bitch that go from bro to bro  
They can't go toe to toe  
Niggas know they broke  
I never rap like you just having paper no you don't

Ready to prove my point  
I got everything I need to show you bro  
She broke as fuck we both going through it  
I can't say shit but I know you broke  
Say you kill but no you don't

Act like he a drill? But no he won't

She say Fxce I want to be your baby mama  
Slut her out

Do some shit to us that's gon see my tease in a private store?  
She said set your phone up

Come on let's make a video  
She said I know you fucking around  
But I'm really starting to feel you though  
I ain't have no time to sit down when I'm on tour

When it's about the time  
She gon Call she going through it  
I know you with some hoes  
But you playing with me like I'm stupid

Fuck a drac this time  
We gon bounce out with that uzi  
Up that bitch on me if you want to  
Nigga you gon have to use it

Driving the Urus  
Doing a hundred it feels like I'm just cruising  
Dukes say do what you want with your money  
Just don't be stupid

Woke up tomorrow with hella bags  
And all this came from Louis  
Robbers strikers shooter  
Same slimes I ain't doing no recruiting

You can't ride if you ain't no shooter  
Don't pick up my fye the fuck is you doin?  
You say I'm lying then you lied  
So tell me why would you do it  
Did my homework on J mane  
So tell me why is you whoopin

Raq baby how you be having money  
Where you get it from, I don't know  
I've been lit asl  
Just got some head from a bitch I don't know

Can't love a bitch that go from bro to bro  
They can't go toe to toe  
Niggas know they broke  
I never rap like you just having paper no you don't

Ready to prove my point I got everything I need to show you bro  
She broke as fuck we both going through it  
I can't say shit but I know you broke  
Say you kill but no you don't  
Act like he a drill? But no you don't
