Yeah, this one is for the real bitches

I need that, need that  
I need that, need that  
I need that, need that  
I need that, need that

You swear you don't give a fuck, so why you so on tip?  
You actin' psychotic, you ain't gettin' no more dick  
Bitch, take it down on [?], MTV y'all in all  
She say she can't help herself 'cuz niggas like me out of stop  
You obsessed like too obsess, you gotta calm down  
Burn around switch, them boys flick is gettin' tossed off  
Wearin' my Rick a dummy low, he hit the wrong house  
Yo' bitch love me, I'm really livin' what you talk about  
I've in her mind so much I should pay utilities  
Every time they click my page I make 'em sick of me  
Mr. Bounce Back From A Loss, I make they stomach hurt  
Say your nigga check them recent searches, I'm the on you search

Nigga send sneaky disses, I peep that  
Oh, she real and she bad, yeah, I need that  
She wanna fly to Thailand and get her feet wet  
Walkin' past they look at her ass like I need that

I need that, need that  
I need that, need that  
I need that, need that (Ayy)  
I need that, need that (Bitch, bitch, bitch, huh)

Walk uo to a bitch and say I need that off  
Take her home in the car that you don't see that off  
We have no conversation but I had a pillow talkin'  
Hold my chain high enough and people might start disco boilin'  
Bae, I need that and I need to lean back  
Got her wanna fuck me in Scatter leave my seat back  
This bitch think she's crazy, I told her, "Wait until I tweak back"  
One thing I keep in every car is the ski mask and a blick on me  
I ain't fuck yo' bitch bro, but I ain't gonna lie, she did put her lips on m  
e  
Apologize if I come off on tip, niggas flipped on me  
Promise I ain't jank you with the stick, bro, I'mma hit something  
Bae, I need that when the fuck you gettin' back  
Drinkin' out the pot from yesterday even though that bitch flat  
I don't even lie, she still get mad like how you pleased that  
Pull up with a choppa, you never seen like how you squeeze that

Nigga send sneaky disses, I peep that (Bitch)  
Oh, she real and she bad, yeah, I need that (Yeah)  
She wanna fly to Thailand and get her feet wet (Come on)  
Walkin' past they look at her ass like I need that

I need that, need that  
I need that, need that  
I need that, need that  
I need that, need that

(What you gon' do for me?)

I gonna work body  
No matter how much we into it that's my for life  
I like 'em light bright, caramel or chocolate  
My baby have mexican pussy on [?]  
I can't one night stand you, I need that every day  
My new bitch shit on my old, bitch in every way  
Let's get married, bae, take a trip to every state  
While you over there come tast test me like some carrot cake  
Fuck 'em all that trick and I ain't cheap, but I ain't Boston Richie  
Don't compare me to yo' man , I beat bought that nigga  
Damn, you still ain't got no deal after all that disses  
You better put dick on yo' mouth while all that kissin'  
You not me, niggas not in me lead  
Don't attach 1Up to niggas you do not see  
We bussin' scam and fuck fine shit on IG  
If she real and she classy, she the one that I need

Nigga send sneaky disses, I peep that  
Oh, she real and she bad, yeah, I need that  
She wanna fly to Thailand and get her feet wet  
Walkin' past they look at her ass like I need that

I need that, need that  
I need that, need that  
I need that, need that  
I need that, need that
