

## Same Again

Babyfxc E

(Nito, what up, my nigga?)  
Huh, bitch (What up, Nito?), yeah  
It's with an X, nigga (Striker Boys, all that shit, nigga, you know what the fuck goin' on)  
Bitch  
Yeah, yeah

Slide it at the green light, fuck it, make them people wait (Fuck 'em)  
I done been through so much, I'll never be the same again  
Told her, "Just to let you know, might ask you for your name again"  
Let him think we cool, but he don't know that we snakin' him (Nito Beats)  
Lil' bitch so real and she cold, they ain't makin' them  
Ayy, pull up on that whip at the light, but we ain't racin' it (Frft)  
I just sold a vacuum-sealed zip with all shake in it (Huh)  
Damn, bro, let me hold the switch, you tryna babysit

Lil' bro a baby pit, fuck it, I'ma let him loose  
I'm mad bro ain't let me crash out, bro, I was tryna shoot  
Don't give a fuck 'bout nothin', still doin' shit I ain't posed to do  
Make him move out, then catch his ass right before he move (Alright)  
I'll put that shit on the floor for real if y'all want me to (Uh-huh)  
I can really have your ho for real if I wanted to  
Play the one and two, if I ain't passin', all I know is shoot  
Niggas think I don't know they on my ass, boy, I know it's you  
We ain't worried, though, we still doin' the same shit  
You ain't gotta use the flash, bitch, my chain came lit  
Hop out the car, take off the mask, park the dude, change whips  
Come back the next day and sell that bitch for like ten-somethin' (Gone, Nito Beats)  
Don't gotta tell the 'net that we beefin', why you sayin' somethin'?  
Raise your hand if you pressed me, ain't nobody put they hand up  
Ain't nobody helped me, had to put my own bands up  
Let that nigga try me, I'll put my own mans up  
Some people think I changed up  
Thinkin' to myself it's crazy what this fame done (On bro)  
Be careful when you flick it left, it make that thing jump (Frft)  
Ain't clique up with new niggas, bitch, I'm with the same ones (Alright)  
I don't know why these niggas think I owe 'em somethin' like they my main mans  
Have them killers come and toe-tag you, now you name brand  
I never was a rapper, it was just somethin' that I played with (Huh)  
Why we always get into it? You 'posed to be my main bitch

Slide it at the green light, fuck it, make them people wait (Fuck 'em)  
I done been through so much, I'll never be the same again  
Told her, "Just to let you know, might ask you for your name again"  
Let him think we cool, but he don't know that we snakin' him  
Lil' bitch so real and she cold, they ain't makin' them  
Ayy, pull up on that whip at the light, but we ain't racin' it  
I just sold a vacuum-sealed zip with all shake in it  
Damn, bro, let me hold the switch, you tryna babysit, huh

Baby, get my name tatted so I know it's real, huh (Come on)  
Striker Boys, Walk Down Gang, man, y'all know the deal (Striker Boys)  
The RP with the slit up in the middle, man, y'all know that pill (30)  
If I catch a hat, I ain't braggin' on it, give lil' bro that kill (Bitch)  
I'll put that shit on the floor for real if y'all want me to (Come on)

I ain't tryna fuck her, but I know this lil' bitch want me to (I'm knowin' it)  
On tip with niggas I was cool with, that's what it's comin' to  
Lookin' at my kit, I'm like, "Shit, that's what that money do" (Shit)  
Doin' donuts, nigga, we still at the same light (Yeah)  
This bitch got a thirty on it, but this not that same pipe (Frirt)  
Remember 'cordin' on the M, I still got that same mic  
I done made it off the block, but I still live that same life, nigga (Nito,  
what up, my nigga?)

Slide it at the green light, fuck it, make them people wait (Fuck 'em)  
I done been through so much, I'll never be the same again  
Told her, "Just to let you know, might ask you for your name again"  
Let him think we cool, but he don't know that we snakin' him (Alright)  
Lil' bitch so real and she cold, they ain't makin' them  
Ayy, pull up on that whip at the light, but we ain't racin' it (Bitch)  
I just sold a vacuum-sealed zip with all shake in it (Yeah)  
Damn, bro, let me hold the switch, you tryna babysit (Huh)
