Since my right hand filled with dog shit, hit him with a lefty

Twenty-three do his body good, call it Dr. Sebi

Fuck the Drac', I want the switch today

Was talkin' good yesterday, I bet them niggas ain't on shit today

Fuck some weed, I want a cup of lean, I wanna sip today

Keep the shop open twenty-four hours, we don't miss no plays

The only reason this bitch ain't fuckin' because her menstrual came

And after that, we got the head from her, we ain't miss no brain (Dummy)
