

Anywhere

BabyJake

Ain't this hard enough
Ain't this hard enough for you
No more giving up
'Cause giving up's easier then working through

I'll go anywhere you want, anywhere you want, anywhere with you

Ain't this hard enough
Ain't this hard enough for you
No more giving up
'Cause giving up's easier then working through

I'll go anywhere you want, anywhere you want, anywhere with you
