

Cry Cry Cry

BabyJake

I've got lines, running down, snow fall in the rain
Boy, I've never felt this way
I've been black, I've been blue, I've surely been misused
Boy oh boy, whose there to blame?

Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!
Don't you cry

I've got time, running out, honey must you go?
Won't you stay, take it slow
I've been chased, I've been caught, and surely I have lost
All I ever, had here to show

Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!

Don't you cry
Don't you cry, cry
Don't you cry
Don't you cry, cry

Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!
Don't you cry, cry, cry, for me, baby!
Don't you cry
