

SPACE

BabyJake

With my girl outside the club
In our heels, we're fitted up
Came from E11EVEN
Such a bore
Walked right back
Out the door
Standing here
On the street
In my tits I feel the beat
Talk to Jefe
We don't pay
Look so hot so
Let us into space
Let us into space
Let us into space
Let us into space

With my girl outside the club
In our heels, we're fitted up
Came from E11EVEN
Such a bore
Walked right back
Out the door
Standing here
On the street
In my tits I feel the beat
Talk to Jefe
We don't pay
Look so hot so
Let us into space
Let us into space
