

# Desperate

Babylon A.D.

Here we sit in this smoky bar  
Two souls drifting thru the world alone  
Here we talk about life and love  
Hold me tonight, we'll be lovers

And we'll dance as our drinks go down  
Casting the stale truth with each breath  
Then we'll touch as the lights go out  
Want me tonight? I'm your lover

Baby, I'm desperate  
I'm burning fire for you

When the rain comes falling down  
And you're lonely as the night grows colder  
Don't worry 'cause I'll be there for you  
When your dreams seem far away  
Take a moment to look over your shoulder  
'Cuz, honey, you know I'm desperate too  
Everybody's desperate just like you  
Yeah, just like you, baby

Here we are like the times before  
Reaching out at midnight for the only open arms  
And we kiss in our Shangri-La  
We steal the night just like lovers

Baby, I'm desperate  
I'm burning fire for you

When the rain comes falling down  
And you're lonely as the night grows colder  
Don't worry 'cause I'll be there for you  
When your dreams seem far away  
Take a moment to look over your shoulder  
'Cuz, honey, you know I'm desperate too  
Baby, I'm desperate just like you

And, baby, I'm desperate  
I'm burning fire for you  
And I know you're desperate  
But I'm right beside you

When the rain comes falling down  
And you're lonely as the night grows colder  
Don't worry 'cause I'll be there for you  
And when your dreams seem far away  
Take a moment to look over your shoulder  
'Cuz, baby, you know I'm desperate too  
Everybody's desperate just like you  
Everybody's desperate just like you

When the rain comes falling down  
And you're lonely as the night grows colder  
(Yeah, yeah, yeah, yeah, I'm desperate, yeah)  
When your dreams seem far away  
Take a moment to look over your shoulder

(Baby, I'm desperate, baby, I'm desperate)

When the rain comes falling down  
And you're lonely as the night grows colder  
(Yeah, desperate, baby)  
(Yeah, yeah, yeah, yeah, baby, I'm desperate)  
When your dreams seem far away  
(I'm desperate, I'm desperate)  
Take a moment to look over your shoulder  
(Yeah, yeah)
