

# Psychedelic Sex Reaction

Babylon A.D.

get a rush when I touch you  
It sends a shock through my veins  
Just like a tab of Jimi Hendrix  
You slip right into my brain  
I feel the room exploding  
I shake and fall to the ground  
And from the clouds on the ceiling  
I hear a purplish sound  
Like a kaleidoscope laser  
My sensors burn through the night  
I'm like a fuel-injected rocket  
Ready to fly, get your ticket to ride

Feel on fire, but you're soaking wet  
Stone cold crazy and almost dead  
Hold tight, baby, it's a psychedelic sex reaction  
Pure raw sugar never taste so sweet  
Wild honey dripping right between your knees  
Hang tough, baby, it's a psychedelic sex reaction

Imagination twisted  
We're in the ultimate groove  
Hot liquid melting madness  
Rose-colored magical view  
Lost in your cyclone kisses  
I ride the eye of the storm  
Well, there's a fog in your harbor  
My visibility's poor  
And then the clock strikes midnight  
I'm at the edge of a dream  
We're gonna blast through the heavens  
Into the dream that is living in me

Feel on fire, but you're soaking wet  
Stone cold crazy and almost dead  
Hold tight, baby, it's a psychedelic sex reaction  
Pure raw sugar never taste so sweet  
Wild honey dripping right between your knees  
Hang tough, baby, it's a psychedelic sex reaction

Just like a shaking volcano  
Your body burning inside  
I'm an electrical twister  
Caught on the wire, I'm alive, so alive

And now the time bomb's ticking  
We do the nuclear grind  
My head explodes in the passion  
Oh, I must be losing my mind

Feel on fire, but you're soaking wet  
Stone cold crazy and almost dead  
Hold tight, baby, it's a psychedelic sex reaction  
Yeah, yeah, yeah, yeah  
Pure raw sugar never tasted so sweet  
Wild honey dripping right between your knees  
Hang tough, baby, it's a psychedelic sex reaction, ow!

(A sex reaction)  
Feel on fire, but you're soaking wet  
(A sex reaction, yeah)  
Stone cold crazy and almost dead  
(A sex reaction)  
Hold tight, baby, it's a psychedelic sex reaction, baby

A sex reaction, yeah  
A sex reaction, oh, yeah  
A sex reaction, psychedelic sex reaction  
Action, action, come on!  
Whoa! Yeah!  
Baby, gimme some action  
Psychedelic sex reaction
