

Sacrifice your Love

Babylon A.D.

Wow!
Ooh, yeah!

Kiss these burning lips
And feed me with your power
Touch these fingertips
And prove yourself this hour

Let me lay you down
Come share my bed of fire
All we've got is now
Now or never, baby, just believe in me

Sacrifice your love
Hold me forever
Make a sacrifice
Sacrifice your love
Give into the pleasure
Won't you sacrifice your love

My heart has beat alone
I've searched through hell and heaven
But you've saved my sinking soul
I count you with my treasures

Let me lay you down
Come share my bed of fire
I will show you how
How it's done now, baby, open up to me

Sacrifice your love
Hold me forever
Make a sacrifice
Sacrifice your love
Give into the pleasure
Won't you sacrifice your love

I don't wanna lose no precious time
I'll show you the way to paradise

Whoo! Yeah!
Break it down, shake it down
Ooh, yeah!

And your body knows the hour is right
Let me love you, baby, now that you believe
Open up to me

Sacrifice your love
Hold me forever
Make a sacrifice
Sacrifice your love
Give into the pleasure
Won't you sacrifice your love

I don't wanna lose no precious time
I'll show you the way to paradise

To paradise

Sacrifice your love
Sacrifice your love
Sacrifice your love
Sacrifice
Sacrifice your love
Sacrifice your love
Sacrifice your love
Lemme just sacrifice

C'mon, sacrifice
C'mon, sacrifice
C'mon, sacrifice
Sacrifice
C'mon, sacrifice your love
C'mon, sacrifice your love
C'mon, sacrifice your love
Sacrifice your love
Oh, baby, your love
