

# Warlord

## Babylon Circus

Warlord is on the top Warlord is the master  
no one can stop him from gettin?more nad more power

He gets into the ghetto hides round the corner  
His kingdom is ayard getting bigger an?bigger everyday  
Warlord in the bush sittin??pon the rail road track  
Waitin?for the train to come fi run to attack  
Warlord in the forest stealin? culture  
Stealin? ya plant an? ya coffee  
An?all the nature ?pon your land  
He comes to rob the last corn in your pot  
Don?t try no move don?t try no run fi not get shot  
Get shot down and dead

Warlord I saw you  
Warlord gettin? control over people  
Warlord I konow you  
Warlord selling good and evil  
Warlord is on the top Warlord is the master  
No one can stop him fro get tin?  
More power more power  
?Got a knife ?got a gun but doesn?t use them anymore  
Him got thousand soldiers with helicopters

Preachin?for war in a church  
Advertizing in a tv show  
Our Civilisation is on the march  
And the desert storm will blow  
Carrin?v guns and tanks over the sea  
And all those weapons of high technology  
An?it gest really fi live down deh  
Fire burn fire burn down deh  
An?it gets really dangerous fi live down deh  
Fire burn fire burn down deh

Warlord I saw you  
Warlord gettin?control over people  
Warlord I know you  
Warlord selling god and sellin devil

Warlord is the top Warlord is the master  
No one can stop him from gettin?  
More power more power  
?Got a knife ?got a gun but doesn?t use them anymore  
him got thousand bombs named \"Daisy cutter\"

The walls shall remember  
The walls shall remember...

Warlord I know you  
Economical Slave Driver  
Warlord I saw you  
The wall shall remember  
With your right hand on the book  
You made a terrible mistake  
Economical slave driver  
Tell me what you?re gonna do

Tell me what we?re gonna do..
