

Stereo Superstar

Babylon Zoo

Weird-lookin' people, they seem all right
Nobody's drivin' tonight
Beautiful people (beautiful people)
Strangers that meet us, they seem all right
Somebody tell me why, maybe tonight (maybe tonight)
All I wanted was a photograph
A picture disc, I think it fits
Eight days a week, twenty-five hours a day
We're stereo superstar (superstars)

Eight days a week, twenty-five hours a day
We're stereo superstar (superstars)
Beautiful people, the seemed all right

Nobody's drivin' tonight
Beautiful people (beautiful people)
All I wanted was their photograph
A picture disc, one that fits
Eight days a week, twenty-five hours a day
We're stereo superstar (superstars)
