

# Blast

Baby Santana

I got a chop and the MAC gon' blast  
I heard yo' mixtape and it was trash  
We in the SRT goin' fast  
I'm kickin' back and I'm smokin' on gas  
Number (N)ine jeans, yeah, I spent some racks  
Shoutout to Tay, we got us a Hellcat  
Pull out a band when I walk up in Saks  
Sn-Snakes around me, I gotta cut the grass  
I got a chop and the MAC gon' blast  
I heard yo' mixtape and it was trash  
We in the SRT goin' fast  
I'm kickin' back and I'm smokin' on gas  
Number (N)ine jeans, yeah, I spent some racks  
Shoutout to Tay, we got us a Hellcat  
Pull out a band when I walk up in Saks  
Snakes around me, I gotta cut the grass

Lean in my cup, I pour a deuce  
P-Passin' the work like a alley oop  
I'm in ALYX and I'm with my crew  
We sip purple rain, you smokin' on boof  
Free feat, you must be off the goop  
Double back on his block like it was a loop  
If it's up then its stuck like some glue  
I'm with my gang, lil' bro, who is you?

I-I-I got a chop and the MAC gon' blast  
I heard yo' mixtape and it was trash  
We in the SRT goin' fast  
I'm kickin' back and I'm smokin' on gas  
Number (N)ine jeans, yeah, I spent some racks  
Shoutout to Tay, we got us a Hellcat  
Pull out a band when I walk up in Saks  
Sn-Snakes around me, I gotta cut the grass
