Fuck a side bitch got my main that's my ho
Love it when she throw it on that pole for me
Y'all niggas broke to me
Y'all niggas old
Money all o—money all over me
Okay you know how it goes

Ice froze, ice froze
Black hoes, white hoes
Okay let's go
Niggas crying to us cause they falling off
Nah niggas but thank you we don't fuck with y'all

And I'm in 614 wit lil Santa cause that's my fuckin dog

Got my neck swole

Y'all niggas broke to me
Y'all niggas old
Money all o—money all over me
Okay you know how it goes

I cut ties with that bitch
I cut ties with that ho
Lil Bana been up on the road
Fuck a side bitch got my main that's my ho
Love it when she throw it on that pole for me
Y'all niggas broke to me
Y'all niggas old
Money all o—money all over me
Okay you know how it goes
Okay you know how it goes
