

hope you feel the same

BabySantana

I, I can't numb the pain
I, I'm stuck in my ways
Take my soul, my brain
Hope you feel the same
Hope you feel the same
Hope you feel the same
Hope you feel the same
(Hope you feel the same)

Missing in action
What's your satisfaction?
Your love's a distraction
Feelings and emotions
No longer in motion
My heart's in the ocean
I'm needing a hug
I'm needing some love
Miss my friends from above
I can't go back to school
In the class I would cut
I would pretend to be happy
While my arms leak with blood
Mmm, baby, I don't understand this
You're changing, I can't stand it
My heart can't take this damage
And the way I feel, can't stand it
Mmm, baby, I don't understand

I, I can't numb the pain
I, I'm stuck in my ways
Take my soul, my brain
Hope you feel the same
Hope you feel the same
Hope you feel the same
Hope you feel the same
(Hope you feel the same)
