

SCOTT EVIL

BabySantana

Yeah, ah, ayy

I got powers, Scott Evil
Pull up some shit you ain't seen, it's medieval
All black fit, bitch, I'm regal
Sippin' some pink, that's some Faygo
He not on my rank, not on my level
Sleep when I want, fuck is a schedule?
My niggas pop just like a kettle
Your niggas talk, my niggas settle
I was broke, sleepin' on the couch
All my niggas came up out the South
I know kicked up in your crib
I know kicked up in your house

Middle fingers, niggas still askin' why
Why I'm quiet on the outside, that's 'cause I'm piped inside
It's 'cause I'm piped inside, it's 'cause I'm always high
It's 'cause I'm always fly (Slatt, slatt)

I turn up in this bitch, Super Saiyan
I turn up in this bitch, I'm the man
It's ALXY from my feet to my head
I blow ten bags a week and it's
I blow ten bags a week in this Prada bag
I just blew like five bands, I ain't proud of that
You be snitchin' on gang, how you proud of that?
She was all on my phone, I ain't callin' back
I ain't want the three M's, but they offered that
And these niggas change sides, we ain't talkin' back
You can have the ho, I don't want her back
I came up on a deal now these niggas mad

Middle fingers, niggas still askin' why
Why I'm quiet on the outside, that's 'cause I'm piped inside
It's 'cause I'm piped inside, it's 'cause I'm always high
It's 'cause I'm always fly (Slatt, slatt)
