

(Oh, oh, oh)
(Oh, oh, oh)
(Oh, oh, oh)
(Oh, oh, oh)

Fast lane life, know she like that
Know how she left me hangin', she ain't type back
Took a whole lot of, took a whole lot of risks in my life
Bought a whole lot of designer and ain't check the price (Oh)
I had put my life on the line but that's why I'm on time
Tryna grind, reach new heights (Woah)
Somehow she blow my mind like every time
'Cause she's so fine and it's like, why?

It's alright, it's okay
Just breathe with me, you gon' be safe
It's alright, it's okay
Just breathe with me, you'll be safe

(Oh, oh, oh)
(Oh, oh, oh)
(Oh, oh, oh)
(Oh, oh, oh)

I did you wrong, I know it
I'm just tryna see how far it go
For right now, you my only hope
And I can't lie, that's fine
Told you a thousand times
And I ain't even gon' lie (Lie)
You the type to drive a nigga crazy
You the type to have a nigga baby (You the type)
And I can't lie, that's fine (And I can't lie, lie)
Get it from mama 'cause she who raised me (From my mama)
I worked way too hard, won't let you play me (Let you play me)
And I can't lie, that's fine (And I can't lie, that's fine)

(Oh, oh, oh)
