

## Sedative

Babysambles

Sedative  
Sedative  
Was my hero  
Oh, it was

What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out now?

Take me by the hand now  
It's been a long, long time since I've step outside  
To the morning sun

Sedative  
Sedative  
Was my hero  
And I had a hit

...

Sedative  
It was my hero  
And I had a hit on it

What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out now?

And I crawl along now  
It's been a long, long time since I've step outside  
To the morning sun

My faith in you  
...  
Yes, I got faith in you

What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out?

And I crawl along now  
It's been a long, long time since I've step outside  
To the morning sun

My faith in you  
Faith in you  
My faith in you
