Get up on a beat and I hit it with a DDT  
If a nigga diss, blow his body up with TNT  
Fuckin' on this bitch, put her phone on the DND

Spend a big bankroll on exotic weed

Brodie ridin' with that broom, he'll sweep you off your feet  
Yeah, diamonds dancin' on my necklace  
Bro say, "Fuck a football," he gon' catch Licks

That nigga fled, ain't cop a half, ain't even cop a G  
They callin' trap Atlanta, a locksmith, he re- rocked the key

Off a Perc' ten in the booth, finna fall asleep  
On the net he talk crazy, sayin' to me, "Who could I please?"  
All the dope up in my lungs, bitch, I smoke a lot of weed  
Had to cut them people off, it was just a lot of greed, uh  
Hop up in a Benz truck, doin' top speed

Super Saiyan, ultra instinct, brodie popped a bean  
Early mornin' on my grind like some coffee beans
