

Boomerang

Baccara

Paradise
Is in your eyes
Whenever I can be with you
Suddenly
Our harmony
Is all a-shakin', breakin', makin' you blue

My lovin' boomerang
Goes boom and bang
You're flyin' far away today
Boomerang
Before you land
Turn back my way

Don't fly away to other girls at such a speed
Things ain't workin' out like this
Boomerangs are such a special breed
And when they miss
They're back, returnin' with a kiss

My lovin' boomerang
Goes boom and bang
You're flyin' far away today
Boomerang
Before you land
Turn back my way

Paradise
Is half as nice
When Adam walks out on sweet Eve
Don't you know
That when you go
You leave me sighin', cryin', trynna believe

My lovin' boomerang
Goes boom and bang
You're flyin' far away today
Boomerang
Before you land
Turn back my way

Don't tell me you are gonna find some real gone chick
In your dreamland full of bliss
Boomerangs well on their way may click
But when they miss
They come flyin' home without a kiss

My lovin' boomerang
Goes boom and bang
You're flyin' far away today
Boomerang
Before you land
Turn back my way

Boomerang
Goes boom and bang
You're flyin' far away today

Boomerang
Don't hit the sand
My lovin' boomerang
Before you land
My lovin' boomerang
I know you can
Turn back my way

Ooh, my lovin' boomerang
