

## Face to Face

Baccara

Face to face

I want to tell you something, babe -  
I'm still in love with you,  
Close your eyes, my love.

Face to face

To see the way you smile again,  
I'm still in love with you,  
Close your eyes, my love.

Back again

From coast to coast I love you, babe,  
I dream of you by night,  
Please, don't break my heart!  
Hold me tight,  
I know you know the way I like,  
I feel so far from you,  
Oh, I was so wrong!

Let me tell you that I love you,  
Let me sing this song for you,  
'Cause I feel so mad about you,  
I don't wanna cry for you.

Let me tell you that I love you,  
Let me sing this song for you, again,  
Let me, let me, oh let me, oh babe,  
I love you, babe, I love you, babe, ooh!

Face to face [3x]

Back again

From coast to coast I love you, babe,  
I dream of you by night,  
Please, don't break my heart!  
Hold me tight,  
I know you know the way I like,  
I feel so far from you,  
Oh, I was so wrong!

Let me tell you that I love you,  
Let me sing this song for you,  
'Cause I feel so mad about you,  
I don't wanna cry for you.

Let me tell you that I love you,  
Let me sing this song for you, again,  
Let me, let me, oh let me, oh babe,  
I love you, babe, I love you, babe!

[2x:]

Face to face

I want to tell you something, babe -  
I'm still in love with you,  
Close your eyes, my love.

Face to face

To see the way you smile again,  
I'm still in love with you,

Close your eyes, my love.
