I'm Just A Girl

Bachelor Girl

I might be a little, concerned with my hair
I might need comfort, more than my share
I might seem to follow fashion, but claim that I don't care
My heart is your best friend, when it rules my head

I might want to talk alot, but don't ask me why
And I'll get impatient, if you don't reply
I might always search for something wrong, I want you to deny
And if you love me just stay close, and hold me when i cry

Don't try to understand me, I'm just a girl
One of the greatest mysteries, you'll find in this world
I'm not hard to handle, I'm just a girl
I'm just a girl

I don't seek money, but I want your time
Cos I'd give my life for you, when you are mine
And it hurts me more than I can say when you pull away
But if you love me, you should tell me everyday

Don't try to understand me, I'm just a girl
One of the greatest mysteries, you'll find in this world
I'm not hard to handle, I'm just a girl

I'm just a girl (4x)

You might think I'm too demanding
But you're just not understanding, no

I might like to take advice, but go my own way
And it's when I hurt the most, I swear I'm okay
And it's always when you least expect, I say I want to stay
Might take just a single kiss, to steal my heart away

Don't try to understand me, I'm just a girl
One of the greatest mysteries, you'll find in this world
You think I'm an x file, I'm just a girl
I'm just a girl

Don't try to understand me, I'm just a girl
One of the greatest mysteries, you'll find in this world
I'm not hard to handle, I'm just a girl

I'm just a girl (5x)
