

## Spin Out

Bachelor

You're a grown man  
You stand out  
Nobody else could ever know  
Your paper hands  
You cut out  
You're always searching

I've seen the world spin out  
In a slow burn  
A slow burn

I've seen the world spin out  
In a slow burn  
A slow burn

You're broken  
You've ruined  
No memory can be replaced  
You've stolen  
My best friend  
No space left  
We'll dive in  
Take what's left  
A Godsend
