

Tramp

Bachman-Turner Overdrive

Tramp
Have you got a quarter for me
Tramp
I'll even take a dime anytime

Standing on a corner
Living in the street
I got to made a living from
The people that I meet
I'm a tramp
Just a tramp

Spare change hand outs
Begging all the time
I need a story for a song
Some thoughts to put in line
Something good is something gained
Like reaching for a star
I'll get a healthy bank account
A suit and shiny car
