

Wastin' Time

Bachman-Turner Overdrive

I could have been a winner
Should have taken me
It was so damn cold I shoulda held ya
'Cause you were shakin' me

I almost had a question
When she led me home
I spent too much time for one night
Bein' all alone

She said you're wastin' time
You're takin' a chance on me
You're wastin' time
You're takin' a chance on me

Should have seen her daddy
'Cause he said she had to go
She was too much girl for one man
I didn't wanna know

I should have got the rambler
Back seat movie for two
I spent too much time for one night
Bein' alone with you

She said you're wastin' time
You're takin' a chance on me
You're wastin' time
You're takin' a chance on me

She said you're wastin' time
You're takin' a chance on me
You're wastin' time
You're takin' a chance on me
You're wastin' time
You're takin' a chance on me
You're wastin' time
You're takin' a chance on me
