

You Ain't Seen Nothin' Yet

Bachman-Turner Overdrive

I met a devil woman
She took my heart away
She said, I've had it comin' to me
But I wanted it that way
I say that any love is good lovin'
So I took what I could get mmh, mmh, mmh
She looked at me with them brown eyes

And said, You ain't seen nothin' yet
B-B-B-Baby, you just ain't seen n-n-n-nothin' yet
Here's something that you're never gonna forget
B-B-B-Baby, you just ain't seen n-n-n-nothin' yet
And you're thinkin' you ain't been around, that's right

And now I'm feelin' better
Cause I found out for sure
She took me to her doctor
And he told me of a cure
He said that any love is good love
So I took what I could get
Yes I took what I could get
And then she looked at me with them big brown eyes

And said, You ain't seen nothin' yet
B-B-B-Baby, you just ain't seen n-n-n-nothin' yet
Here's something, here's something that you're never gonna forget, baby
B-B-B-Baby, you know, you know, you know, you just ain't seen nothin' yet
You need an education, got to go to school

Any lovin' is good lovin'
So I took what I could get
Yes I took what I could get
And then, and then, and then she looked at me with them big brown eyes

And said, You ain't seen nothin' yet
Baby, you just ain't seen n-n-n-nothin' yet
Here's something, here's something
Here's a lover you're never gonna forget, baby
B-B-B-Baby, you just ain't seen n-n-n-nothin' yet
You ain't been around
You ain't seen nothin' yet, that's what she told me
She said, I need an education, go to school

I know I ain't seen nothin' yet
I know I ain't seen nothin' yet, mmh, mmh, mmh
I got something for you right now
Feels good, alright, how do you do that
But I ain't seen nothin' yet
But I deserve it one of these days
Woohoo, but I ain't seen nothin' yet
I ain't seen nothin' yet
Yeahyeahyeahyeahyeah
I ain't seen nothin' yet
I'll wait, I'll wait, I'll wait
If you want to show me what I ain't seen, where I ain't been
Lalalalalala
