

# By Myself

Backpack Kid

Do it by yourself  
Do it by yourself  
Do it by yourself

I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)

I don't need no help cause I do it by myself  
Looking on my wrist got a I got my belt  
Gotta watch your back, gotta watch yourself  
Doing this for handouts, do it by yourself  
[?] I'm too paid  
Waking up on a brand new day  
Block out the haters and what they say  
Do what you want and do it your way

I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)  
I don't need you 'cause I got myself (Got myself)

I don't need you 'cause I got myself  
I don't need you 'cause I got myself  
I don't need you 'cause I got myself  
I don't need you 'cause I got myself
