

# Drip On Boat

Backpack Kid

Had to get that cash, had to get some more  
Had to get a bag, did it on my own  
I just got new ice, put it on my throat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat

Too much drip on me, gotta learn how to float  
I got on designer from my head to my toes  
I ain't asked for help, yeah I did it on my own  
I don't see a hater, you can get up out my zone  
Speeding like I'm in a NASCAR  
We don't know you, why you tryna act hard?  
This ain't GTA, I'm not on the radar  
Going MIA, yeah I'm going so far

So far, so far  
Going so far  
Yeah I'm going so far (ooh, aye)

Had to get that cash, had to get some more  
Had to get a bag, did it on my own  
I just got new ice, put it on my throat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat

Eat that Benihana every day  
Get that cake in my plate  
Do that way, triple A  
Fade away, fade away  
I feel like I'm Drake, money coming  
I just seen better days  
Too much drip, I don't wanna give it away  
[?] all in my space  
50K on a check just to walk in and say hey  
Ooh

Had to get that cash, had to get some more  
Had to get a bag, did it on my own  
I just got new ice, put it on my throat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat  
Too much drip on me, yeah I need a boat
