

Insecure

Backpack Kid

She want to know why I be acting insecure
Every girl 'round me bad
But these girls just isn't her
I got a bag on me
That don't mean it doesn't hurt
I do not talk that much but baby I'm your listener

I'm worried that you'll leave me
Even if half of these dudes want to be me
They want to be me till I pull up and they meet me
What if you don't listen to me like a CD

'Cause in this cold world your not supposed to open up
And as a man they'll start using it against your trust
I can't express how I'm feeling so it's hard to love
I got a big bank account but it's never enough

I've felt heartbreak so many times
They try to let me down easy with a lie
I know it's going bad when she can't look me in the eye
She know something wrong but it's hard to tell her why

She want to know why I be acting insecure
Every girl 'round me bad
But these girls just isn't her
I got a bag on me
That don't mean it doesn't hurt
I do not talk that much but baby I'm your listener

I got a couple billion views she tried to tell me I ain't lit
Doesn't matter who I am she might have someone else she miss
Yeah it's hard to admit and it's easier to quit
But you don't judge me off the backpack
I've been wearing since a kid
Cause everyone knows my name but you know me
Everyone says they're real but you showed me
Everyone blowing your phone you still chose me
If you want someone as real you got to clone me

I've been misled and confused you know I don't want to lose you
If you get down babe
Just know I'll be here to
Lift you up cause I've been there before

She want to know why I be acting insecure
Every girl 'round me bad
But these girls just isn't her
I got a bag on me
That don't mean it doesn't hurt
I do not talk that much but baby I'm your listener

She want to know why I be acting insecure
Every girl 'round me bad
But these girls just isn't her
I got a bag on me
That don't mean it doesn't hurt
