

Too Young

Backpack Kid

All these girls ignore me
But now they acknowledge me
Don't care if you hiding me
I care about my broccoli
She say that she love me
I'm too young to love her
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
I'm too young to love her

He said I'm too young, he said I'm a baby
I don't even drive but I drive him crazy
I'm not too young, you just too dumb
Don't be a fool boy I'm forever to one
I'm the one
He said he too young to love me
I said boy don't be a loser
[?] will never ever touch me
Cause I'm always with my shooters
If they're too young better leave 'em alone
Don't even call 'em, don't pick up the phone
Boy why you messing with me if you grown
Why are you flexing, you know that you're on
You just be crazy, psychotic
I don't care about the paper in your wallet
I cannot love you so stop it
Cause they call me Yung Baby, how ironic

All these girls ignore me
But now they acknowledge me
Don't care if you hiding me
I care about my broccoli
She say that she love me
I'm too young to love her
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
I'm too young to love her

I can't fall in love, I can't fall in love no
Too busy on my grind, I've been on the road
I don't need your help, did it on my own
I'm too young to love, I'm not even grown
She said she love me
Too young to love her
She said she love me
Too young to love her

All these girls ignore me
But now they acknowledge me

Don't care if you hiding me
I care about my broccoli
She say that she love me
I'm too young to love her
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
Yeah, I'm too young to love her
I'm too young to love
I'm too young to love her
