

# Just Want You To Know

Backstreet Boys

**D**

1. Looking at your picture from when we first met

**A**

You gave me a smile that I could never forget

**Emi**

**G**

And nothing I could do could protect me from you that night

2. Wrapped around your finger, always on my mind

The days would blend 'cause we stayed up all night

Yeah, you and I were everything, everything to me

**G**

**D**

**A**

R: I just want you to know that I've been fighting to let you go

**Emi**

**G**

Some days I make it through and then there's nights that never end

**D**

**A**

I wish that I could believe that there's a day you'll come back to me

**Emi**

**G**

But still I have to say I would do it all again

**D**

Just want you to know

3. All the doors are closing I'm tryin' to move ahead

And deep inside I wish it's me instead

My dreams are empty from the day, the day you slipped away

R: I just want you to know...

**A**

**Hmi**

**G**

Just want you to know That since I lost you, I lost myself

**A**

**Hmi**

**G**

No I can't fake it, there's no one else

R: I just want you to know ... (2x)
