

Love Is

Backstreet Boys

Yeahh
Ooohh
Yeah yeah

Once there was a time love was just a myth
It just wasn't for real, didn't exist
Til the day you came into my life
You forced me to think twice
I didn't have too much, no I wasn't rich
Gave me belief someday I'd be more than this
That's why until this day I'm still your man
Cause you made me understand that

Love is kisses in a bean bag chair
The two of us but no one there
Love is the moment that I climb the stairs
To hold you in my arms after we make love
Love is waking up to see your face
Or kissing in the morning rain
Love is
The only thing that keeps me sane
At the end of the day is that I've got you

You're my secret place where I can be myself
You connect with me like nobody else
Even though our circumstances changed
Our love still remains
Meet me on the ground, still you help me fly
You taught me to be patient, I taught you to rely
So no matter what tomorrow brings
We got the simple things cause (nooooo)

Love is kisses in a bean bag chair (bean bag chair)
The two of us but no one there (no one there)
Love is the moment that I climb the stairs (ohh)
To hold you in my arms after we make love
Love is waking up to see your face (ohh)
Or kissing in the morning rain
Love is
The only thing that keeps me sane (ohh)
At the end of the day is that I've got you

Love is
A Sunday morning with the blanket wrapped around your waist
Love is
The way your lips seem to curve
When you say my name (say my name ohh)
Love is
And when I'm stressing like the world's turning upside down
Girl it all makes sense when you're around

Love is kisses in a bean bag chair (yeah)
The two of us but no one there (making love is)
Love is the moment that I climb the stairs
To hold you in my arms after we make love
Love is waking up to see your face (yeah yeah yeah yeah)
Or kissing in the morning rain

Love is
The only thing that keeps me sane (I'm gonna keep you baby)
At the end of the day is that I've got you

Love is kisses in a bean bag chair (bag chair)
The two of us but no one there
Love is the moment that I climb the stairs
To hold you in my arms after we make love
Love is waking up to see your face (I've got you baby)
Or kissing in the morning rain
Love is (baby)
The only thing that keeps me sane
At the end of the day is that I've got you

Love is
Waking up to see your face (say I've got you)
Kissing in the morning rain (ooh)
At the end of the day is that I've got you
