

Shattered

Backstreet Boys

So empty can't feel no more
As I'm left with my tears on the floor.
I wait for my heart to mend,
But you keep tearin a hole.

Inside I'm so lost
In the middle of my heart
It's a battlefield of love
I've been fighting for too long.

And now I'm shattered
(From the chip in my heart, kept taking it till it broke)
Oh how it hurts
(Felt it slip from your hands, hit the ground and now it shattered)

I'm so shattered
(Can't believe it was me, I'm so shattered)
So shattered
(Can't believe you hurt me I...)
So shattered
(Can't believe you left me, shattered)
I'm shattered cut from with inside

What am I still here for?
Could it be that I'm just waiting.
Hoping you'd rescue me,
And put the pieces together again.

Inside I'm so lost
In the middle of my heart
It's a battlefield of love
I've been fighting for too long.

And now I'm shattered
(From the chip in my heart, kept taking it till it broke)
Oh how it hurts
(Felt it slip from your hands, hit the ground and now it shattered)

I'm so shattered
(Can't believe it was me, I'm so shattered)
So shattered
(Can't believe you hurt me I...)
So shattered
(Can't believe you left me, shattered)
I'm shattered cut from with inside

Tell me what you really here for
If you never really loved me
I gave you my all but it still wasn't enough.
Cuz all you had to say is that you aint
Looking for commitment
Instead of telling me what I wanted to hear, hey...

You took my emotions,
And scattered them on the ground.
So hard to just pick up,
And move on with life again.

And now I'm shattered
(From the chip in my heart, kept taking it till it broke)
Oh how it hurts
(Felt it slip from your hands, hit the ground and now it shattered)

I'm so shattered
(Can't believe it was me, I'm so shattered)
So shattered
(Can't believe you hurt me I...)
So shattered
(Can't believe you left me, shattered)
I'm shattered cut from within inside

Can't believe you left me, I'm so shattered
