

Big Bad Wolf

Backyard Babies

What if they do
It's not me or you
Fuck what they say!
Do it anyway

We were ready for the bigbull-fight tonight
And I know it will make us feel alright
We've been waiting for you
That's why there'snothing else to do Everybody on time
alright!

But what if they do It's not me or you
Fuck whatthey say!
Do it anyway

We're calling out the big, bad wolf tonight
Somebody bitter better be on sight
You've been takin' on me
You know why there's nothing left to lose Everybody on
line tonight

But what if they do
It's not me or you
Fuck what they say!
Do it anyway

You gave me reasons I'll give you one
You give the order
But I gave out none
Until the fun begun

What if they do
It's not me or you
Fuck what they say!
But what if they do It's not me or you
Fuck what they say!
Do it anyway
