

Dunno Why

Bad Bad Hats

When you get too close to me
I shut down instinctively
When you get too close to me
I die

When you get too close to me
I'm someone else entirely
When you get too close to me
I die

Some days I lay low
But everything feels black
You'll be home for dinner
Or you're not coming back

When you say you love me
I don't know how to act
I don't know if I could ever do that

But I dunno why
I dunno why
I dunno why
I...

When I get too close to you
You say things you never do
When I get too close to you
You die

When I get too close to you
All the things you know are true go up
In a tower of flames and die

Some days I lay low
But everything feels black
You'll be home for dinner
Or you're not coming back

When you say you love me
I don't know how to act
I don't know if I could ever do that

But I dunno why
I dunno why
I dunno why
I...

I...
I dunno why
I...
I dunno why
