

Joseph

Bad Bad Hats

Joseph, you didn't say half the things you wanted to
But I knew I'd leave you
You held tight, I walked on
It felt right, but I thought wrong
I thought wrong

Gimme back that night
Gimme back that night
Gimme back that night

(I want you) To remember
(I want you) To forget about me

Joseph please, it's late and I don't know what's good for me
So let me in
I came back, your light's on
Don't say that I thought wrong

Gimme back that night
Gimme back that night
Gimme back that night

(I want you) To remember
(I want you) To forget about me

I want you
I want you
I want you
I want you
