

Meter Run

Bad Bad Hats

Can I get a little closer?
I wanna know your name
Was that you up on the poster?
These bands all look the same

Can I be a little honest?
I liked you from the start
Don't you be a Doubting Thomas
When I'm showing you my heart

What is your idea of fun?
Turn out the light, let that meter run
With me

If in the morning there's a ticket on your window
You can put the blame on me
Put the blame on me
If in the morning there's an empty space on the street
I guess you got nowhere else to be
Than with me

Closer
I want to hear you think
We could get married for the toaster
You could at least buy me a drink

What is your idea of fun?
Baby, spend the night, let that meter run
With me
With me
With me
With me
With me

With me
