

When I walked into the kitchen, you were already dead
Just a glowing television, and the ghost of things unsaid

I love you, I love you

So I won't make you read my mind
And lose you to the passing of time
Cause nothing matters if you're not mine

Mama sent your ashes back home to Michigan
I walked into the ocean and was born again

I love you, I love you

So I won't make you read my mind
And lose you to the passing of time
Cause nothing matters if you're not mine

So I won't make you read my mind
And lose you to the passing of time
Cause nothing matters if you're not mine
