

## Secrets Are No Fun

Bad Bad Hats

I wasn't gonna tell ya, I wasn't gonna say a word  
I wasn't gonna tell ya, I wasn't gonna say a word  
But you looked, looked, looked right up at me  
With your eyes blinking so pitifully  
And if you don't, don't mind me saying so  
I love you  
I wasn't gonna tell ya, I wasn't gonna say a word  
I wasn't gonna tell ya, I wasn't gonna say a word  
But you looked, looked, looked right up at me  
With your heart beating so close to me  
And if you don't, don't mind me saying so  
I love you  
Oh and it's hard, you know I can't sleep at night  
When we're apart, baby, I don't sleep for days  
I wasn't gonna tell ya, I wasn't gonna tell ya, I wasn't gonna  
tell ya, I wasn't gonna tell ya  
But you looked right!  
Oh and it's hard, you know I can't sleep at night  
When we're apart, baby, I don't sleep for days  
Oh and it's hard, the way the world comes down on me  
When we're apart, baby, I don't sleep for days
