

Year of the Crab

Bad Bad Hats

I'm a dancer, born in the month of Cancer
Words go through me, and you can't get to me
Maybe I'll never learn, maybe I played my turn
Should say sorry, that I want you to adore me

Wasting time, out of my mind
But you're in love with me and I feel fine

I want what I want, but I get what I deserve
Honey, you're still on my side
You give me both
I love what I love, oh, even when it hurts
Honey, I'd choose you every time
You give me both

Honest, baby, I'm not myself lately
And you've been tired and you feel so uninspired
Maybe I'm just too young, I know it can't all be fun
But will you wait here if I put it off till later

Wasting time, out of my mind
But you're in love with me and I feel fine

I want what I want, but I get what I deserve
Honey, you're still on my side
You give me both
Yeah I love what I love, oh, even when it hurts
Honey, I'd choose you every time
You give me both

Yeah, you give me, give me both
Yeah, you give me both
Yeah, you give me both
You give me both

Wasting time, out of my mind
But you're in love with me and I feel fine
