

Footsteps On My Shoes

Bad Boy Chiller Crew

Footsteps on my shoes

I hit the dance, but I've come to vibe and I come to raise the roof
I shouldn't drive, man, I'm on the lines, man, I'm on the greyest goose
Drinks in the summer, brother, pass me another
Nightlife lovers, we ain't like no others
I'ma bad boy like Lowery and I got bad boys 'round me

I'm the G-O-A-T, hot like page 3
And my bars cold like AC, brain freeze
Boys in the back of the whip, they go crazy
Times been hard, bro, lately
So we get the party started, pull up in that Land Rov'
Pablo, got loads, take a brother off road
Good vibes, am nice, am tit for tat
Get ya jaw bone snapped am Mystic Mac
Yo, anywhere I go, get the crew patterned
Flip like Bruce Banner, I'm a loose cannon
Pull up in that new rammer like I'm Schumacher
Gotta do mazza, you ain't ever gonna do nada
You're a div, in that new whip I'm Stig
I'm paid, I'm rich, I'm Kane, I'm didge
I'm a boy, I be living like a rockstar
Still put my foot down if I see a cop car

Footsteps on my shoes

I hit the dance, but I've come to vibe and I come to raise the roof
I shouldn't drive, man, I'm on the lines, man, I'm on the greyest goose
Drinks in the summer, brother, pass me another
Nightlife lovers, we ain't like no others
I'ma bad boy like Lowery and I got bad boys 'round me

And I got bad boys 'round me
D'you know how many bad boys I've dragged out an Audi?
Rowdy, if it was a art, now go be a chargi
My akhs up North don't know what haram is
Down death row, shot bits in Armanis
OSB gonna get to starring
Bradford city, that's a big drug market
Tentens from PK in carpets
You don't pay pesos, come on, your ma' lives
Hungry charvas, young and heartless
Gloves and hoods and the bikes get started
Crew set to hood, icers sparking
In a garden, discharging, but my heart Spartan
Anywhere I go, fuck the world, gwan carnage

Footsteps on my shoes

I hit the dance, but I've come to vibe and I come to raise the roof
I shouldn't drive, man, I'm on the lines, man, I'm on the greyest goose
Drinks in the summer, brother, pass me another
Nightlife lovers, we ain't like no others
I'ma bad boy like Lowery and I got bad boys 'round me

Treat a weekday like a weekend
Take a flight out with a few friends
Catch me charged up, flying through bends
Get the lines out I'm a loose end

It's my time, got a fine line you don't wanna cross
Get drive byed
Boys in the limelight shine bright
Bradford boys no fucking around
Hit clubs and we're shutting it down

Big G my lad got k few bags

Us boys on top us boys get radge
Come from estates and council flats
Street of the B.D that's where I'm from
Drive fast try not right off
Ram raid ride off
Town full of bricks and Lycas
Town full of divs and violence

Footsteps on my shoes
I hit the dance, but I've come to vibe and I come to raise the roof
I shouldn't drive, man, I'm on the lines, man, I'm on the greyest goose
Drinks in the summer, brother, pass me another
