

## German Engineering

Bad Boy Chiller Crew

Yo that whip European I don't put the key in  
I just push the button man I love a foreign  
German engineering with the power steering  
They won't see me coming feel it in my stomach  
Pull up at the lights I'll be with the guys  
I've been taking drugs see it in my eyes  
Undercover police they be in disguise  
Watch out I'm a show you how to drive

Watch out I'm about  
On your marks get set let's go let's bounce  
I'm a vet put a big dog down  
No divvy's round here no clowns  
Just boys from the bd crooks and tea leaves  
Want beef make a boy go sweet dreams  
Night night watch a big boy go sleep  
Fuck a green light we stop roll deep  
Pissed off coming with the sick demeanour  
Whip the Beemer break the clock I'll break the meter  
Drop the box I hit block watch me eat em  
Sick geezer I got the fever  
Boys in the back I'm a hit the road  
Hit the coast grip the coke then take it home  
Goose in my cup I'm a drink it up  
Drop the bitch whips clutch fingers up

Yo that whip European I don't put the key in  
I just push the button man I love a foreign  
German engineering with the power steering  
They won't see me coming feel it in my stomach  
Pull up at the lights I'll be with the guys  
I've been taking drugs see it in my eyes  
Undercover police they be in disguise  
Watch out I'm a show you how to drive

Lanch start it DSG farting  
Mark 7 taking these bends real barmy  
Got Charlie best on the market  
Cars got markers seen feds rapt it  
Took chase parked it jumped out darted  
Left Bust right with white from rkid  
Jumped that fence and I stashed the lot  
Cos I'm wrapped I don't wanna catch a cough  
I'm bang right scum bag drive like stunt man  
That whip stage 4 kicks got break horse  
95s take doors down like rain pour  
Bats no baseball splat like Paintball  
Might just break jaws flipped 2 8 balls  
Bang right scumbag drive like stunt man  
Boys still sell flake boys still push that  
It's the BBCC no messing about  
No clowns hit town and we're shutting it down

No divvy's round here who want it I'm back  
135 in that all black jag  
Go shop new watch new tag  
I can spend racks on racks

Big boy whip like catch me on the road again  
2 birds in the back I'm a blow the bends  
Gloves on when a roam ya ken  
Little divvy's better phone the feds  
330DS we use to race T5's  
Come from the west side bounce to the b-line  
Been a bad boy since knee height  
Big boy bats make a boy go sleep time  
The boys sell flake that's on the sly  
And we race them pigs on Honda bikes  
Use to hit licks on ktms  
Now this streaming money's gonna pay my rent

Yo that whip European I don't put the key in  
I just push the button man I love a foreign  
German engineering with the power steering  
They won't see me coming feel it in my stomach  
Pull up at the lights I'll be with the guys  
I've been taking drugs see it in my eyes  
Undercover police they be in disguise  
Watch out I'm a show you how to drive

Hold tight the boys from BD  
Big up the birds from Leeds town  
She said I ain't gonna be shit  
Last night she got got the beat Down  
She wanna act like we're friends  
I wanna act like were not  
I don't really care what  
Kick her out barefoot  
Nowadays these hoes show bare love  
Sets get shut down boys get paid out  
Divs get rowdy boys get laid out  
Full force when we hit the strip  
Grab a bottle from the bar and I twist the lid  
I wanna thick bitch big crib big whip  
I wanna move when that shit kicks in  
So I'll be in the booth till I'm slick rick rich  
Cos I don't wanna hit these licks real shit

Yo that whip European I don't put the key in  
I just push the button man I love a foreign  
German engineering with the power steering  
They won't see me coming feel it in my stomach  
Pull up at the lights I'll be with the guys
