

Don't Want Your Love

Bad Boys Blue

Don't want your love.
No no no more...

If you think I'm a fool girl, and this is just a game.
Then you should run and think again.
Oh baby, why did you let me go? You're not the only one.
I wonder if you know what you've done.

Don't want your love.
I'm gonna find another heart in time.
Don't want your love any more.
Now it's good-bye, bye, bye.
Don't want your love.
Even if I know I'll go insane.
In heaven's stars I gotta find another one.

All the time that we share, together day and night.
It's hard to shake it from my mind.
Oh baby, you've lost your tender touch. Don't wanna feel this pain.
Why do you do things that drive me insane?

Don't want your love.
I'm gonna find another heart in time.
Don't want your love any more.
Now it's good-bye, bye, bye.
Don't want your love.
Even if I know I'll go insane.
In heaven's stars I gotta find another one.

No no no more...
No no no more...

Don't want your love.
I'm gonna find another heart in time.
Don't want your love any more.
Now it's good-bye, bye, bye.
Don't want your love.
Even if I know I'll go insane.
In heaven's stars I gotta find another one.
