

## Kisses and Tears

Bad Boys Blue

My love, now you're lying lonesome with visions of blue,  
visioning you.

Again, you let your heart go when,  
whenever you do, it's hurting me, too.  
When damage is done, I watch you run,  
it's me you call, to me you come.

Kisses and tears - my one and only,  
Don't be lonely, I'm right here.  
Kisses and tears - we'll turn that bad dream  
To a good thing, it's so clear.

Kisses and tears - a new world's waiting  
That we're creating with our love.  
Kisses and tears - my one and only,  
Don't be lonely, don't you run.

You know how a heartache ends,  
with visions of blue abandoning you.  
I know that we're more than friends,  
you know that it's true, it's long overdue.  
No more to run, no damage done,  
now hear my call, to you I come.

Kisses and tears - my one and only...  
Kisses and tears - a new world's waiting...

Kisses and tears - my one and only...  
Kisses and tears - my one and only...  
Kisses and tears - a new world's waiting...
