

Pictures Of You

Bad Boys Blue

I hear you voice inside my head
I turn around, see your picture on the wall
Those memories of you and me
Are so alive there still living in my heart

It's so hard to live without you

Every breath that I take
Every dream I dream
Lets me know
You belong to me
Every day that I live
Every star I see
Has your smile
You're a part of me

All alone in my lonely bed
My dream of you and your picture in my head
The tears I cry are all for you
Words can't express, my loneliness, loneliness

It's so hard to live without you

Every breath that I take
Every dream I dream
Lets me know
You belong to me
Every day that I live
Every star I see
Has your smile
You're a part of me
