

# Somewhere In My Heart

Bad Boys Blue

How can I forgive her then?  
How can I forget?  
After all these lies I've heard from you for so long  
I still remember all the pain  
That you caused in me  
When I saw you hand in hand with another man  
Now your tears are falling on me  
Now you're under my command  
It's a strange kind of feeling when I hear you say

Somewhere in my heart there's a place for you  
I'll do what you want me to do  
Somewhere in my heart there's a light that will shine for you  
Somewhere in my heart there's place for you  
I know we are broken in two  
But somewhere in my heart there's a fire that still burns for you

Have you ever said the truth?  
Have you ever tried?  
To respect my mind, my words, everything I do  
I don't know my own emotions  
Did I lose my faith in you  
It's a strange kind of feeling when I hear you say

Somewhere in my heart there's a place for you  
I'll do what you want me to do  
Somewhere in my heart there's a light that will shine for you  
Somewhere in my heart there's place for you  
I know we are broken in two  
But somewhere in my heart there's a fire that still burns for you
