

Take A Chance

Bad Boys Blue

Flames are burning in my heart.
Can't fight the fire. You are always on my mind.

Another sleepless night with you on my mind.
An empty space in my heart.
That's how I feel. Emotions tear me apart.
Another rainy day you're still on my mind.
My head keeps spinning around.
I hear you say. I'll meet you in a dream one day.

Take a chance on me.
Like I'm taking a chance on you.
I wanna hold you. Hold you forever.
Take a chance on me.
Like I'm taking a chance on you.
I wanna hold you. Hold you forever.

I walk the streets so many places to go.
Decided to let you know. I want you now.
I will never ever let you down.

Take a chance on me.
Like I'm taking a chance on you.
I wanna hold you. Hold you forever.
Take a chance on me.
Like I'm taking a chance on you.
I wanna hold you. Hold you forever.

Take a chance. Be ready for romance.
Just be smart and you will get the part.
Let's break the chain. Be ready for the game.
When I see you again. Take your chance.

Flames are burning in my heart.
Can't fight the fire. You are always on my mind.

Take a chance on me.
Like I'm taking a chance on you.
I wanna hold you. Hold you forever.
Take a chance on me.
Like I'm taking a chance on you.
